Dear Congressman Marshall:

On behalf of our nearly four million members, the National Rifle Association Political Victory Fund endorses your candidacy for reelection to the U.S. House of Representatives in the 8th Congressional District of Georgia.

During your tenure in Congress, you have consistently supported the constitutional rights of law-abiding gun owners and sportsmen, demonstrating a strong commitment to our Second Amendment rights and hunting heritage.

Based on your congressional record and responses to our federal candidate questionnaire, you have earned an "A" rating and endorsement from the NRA-PVF. We urge our members and other gun owners and sportsmen in the 8th Congressional District of Georgia to vote for you on November 4th.

Good luck this year and we look forward to our continued relationship.
