

A RESOLUTION FOR THE COBB COUNTY REPUBLICAN COMMITTEE TO CONSIDER

WHEREAS, Senator Eric Johnson, who was selected by the Senate Republican Caucus to serve as President Pro Tempore of the State Senate, has made the maximum \$4,600 contribution to liberal Democrat Alisha Thomas Morgan in her re-election campaign for the State House against **Republican Chris Cooper**, a candidate who qualified to run for this seat; and

WHEREAS, this contribution was made from Senator Eric Johnson's campaign funds on May 19, 2008, after Chris Cooper qualified to run for the State House; and

WHEREAS, Alisha Thomas Morgan is a liberal Obama Democrat who made a spectacle of herself opposing legislation that would require voter identification; and

WHEREAS, Alisha Thomas Moran is now using the financial support and implied endorsement of Senator Eric Johnson to undermine Republican confidence in the candidacy of Chris Cooper;

NOW, THEREFORE, BE IT RESOLVED, That the County Committee of the Cobb County Republican Party endorses Chris Cooper for the State House of Representatives against Alisha Thomas Morgan; and

BE IT FURTHER RESOLVED, That the Cobb County Republican Party repudiate the implied endorsement of Morgan by Senator Eric Johnson and urge all Republican candidates (both in office and running for office) to support the candidacy of our Republican nominee Chris Cooper against this liberal Democrat; and

BE IT FURTHER RESOLVED, That the Senator Eric Johnson be rebuked and admonished for lending material financial support to liberal Democrats against the nominees of the Republican Party and reminded that his leadership role is a position of trust conferred upon him by the Senate Republican Caucus; and

BE IT FURTHER AND FINALLY RESOLVED, That this Resolution be widely publicized so as to demonstrate the united support of the Cobb County Republican Party behind the candidacy of our Republican nominee, Chris Cooper, and to discourage other Republican leaders from aiding the cause of the liberal Democratic opposition.
